

## ETHICS & INTEGRITY

- Developing other peoples' confidence through consistent action, values and communications
- Meeting commitments and promises
- Acting consistently
- Displaying personal integrity and honesty
- Displaying a sense of corporate responsibility & a high level of accountability
- Supporting a culture that fosters high standards of ethics & professionalism

WE  
lead it

Someone who is very open and honest in their communication and decision making with employees, customers and other stakeholders and creates a very positive reaction from others.
